YES/NO	ACTIVITY OR POSITION OF INTEREST
	<p>Hospitality: You will be part of a crew serving the refreshments to the audience during intermission, assisting in collecting tickets, handing out programs, helping the House Manager, and performing other activities when necessary. You may volunteer for a single performance, or a series of dates (we frequently have groups who take certain nights on a regular basis). The job entails setting up coffee, cookies, juice, and tea, etc. and cleanup when the intermission is over. The theatre maintains a small kitchen. Normally our hosts also check tickets and handle Will Call tickets at the door before the performance.</p>
	<p>House Manager: This is the person who is in charge of the "front of the house" during the performance of any play. Your job is to look after the needs of our patrons, and see that things go smoothly in the audience area. The job entails getting to the theatre approximately 90 minutes before the show starts, and closing up the theatre afterwards. Duties are for a single night, weekends, or on an availability basis--it sometimes takes 12 house managers to serve the performances during the run of one play.</p>
	<p>Daytime Box Office: Join our group of reservation specialists who work our daytime shift - 2:00 to 5:00 Thursdays and Fridays (the week before opening weekend and during show week). This is a job for someone who likes to talk to people, answer the telephone, and can generally handle the many questions from our patrons reserving seats for the plays. Become part of the crew who regularly meet our patrons! This can be a fun, challenging job a few hours a week. If you are interested, we will assign you to assist one of our regular reservationists for a training period. Some computer skills and knowledge of web based ticketing is required.</p>
	<p>Showtime Box Office Manager: You are responsible for preparing the box office for the evening's performance. You will also ready the banks for those stations that handle money. The Box Office Manager handles any ticketing problems and sales not handled by the Box Office Window person. The Box Office Manager sees to the evening cash drop. Some computer skills and knowledge of web based ticketing is required.</p>
	<p>Showtime Box Office Window: Handles the sale of tickets to that night's performance as well as completing reserved ticket sales. Some computer skills and training is required.</p>
	<p>Ushers: Here's a great "entry level" job in the theatre. We need people to check the incoming tickets, pass out programs, and help with other jobs prior to the start the show.</p>
